Source of results. Every value on this page is transcribed without change from the laboratory reports issued by Ethos Analytics for lot SM260108, reports 26EA0120-028 and 26EA0120-028, dated January 28, 2026. Cura My Health has restated those results in this format for readability and has added nothing to them.

Scope. These results apply only to the lot identified above. Testing was performed by an independent laboratory operating under ISO/IEC 17025:2017. A copy of the laboratory's original report for this lot is available on request from info@curamyhealth.com.
